

MCAS and Internal Assessments: Reports to Provide Board

Note: reports to be provided as soon as data is available, yearly for external and MCAS results; periodically for internal results.

External and MCAS Assessment Results (ERB, Terra Nova, Stamford 9, MCAS)

- single sheet for each test, includes details on results
- table with each sub-test tested
- scores for each grade (class of . . .) listed--percentile rate as related to national norm for standardized tests, for example
- scores for each of the previous 3 years listed
- easy-to-compare, color-coded format
- mean included

External and MCAS Assessment Results: Points of Interest Summary

- brief report (single, bulleted page, for example, for each assessment)
- outlines/highlights test results
- compares results to national scores, school scores in previous years, scores of schools to which your school is typically compared
- includes any notable specific sub-test scores

Internal, School-Specific Results

- Include the same type of reporting as listed above for external and MCAS assessments.
